

353

AIRLINE LIVERIES

AND LOGOS

version 2

Includes all IATA Member Airlines

2018

Editorial Use Only

The Editorial Use Only license means that the image cannot be used for commercial advertising purposes. An Editorial Use Only image can be used: In a newspaper or magazine article. On a blog or website for descriptive purposes. In a non-commercial presentation.

The Aircraft Liveries and Logos of airlines are used to provide distinctive branding for corporate and commercial reasons. They also have to combine powerful symbols of national identity while being acceptable to an international market.

A large, dark, stylized tail fin of an aircraft, angled upwards and to the right. The Nesma Airlines logo is prominently displayed on the fin. The logo consists of the word "NESMA" in a bold, sans-serif font, followed by a stylized graphic element resembling a series of vertical bars or a stylized "N". Below this, the word "AIRLINES" is written in a smaller, sans-serif font. The entire logo is white, contrasting sharply with the dark background of the tail fin.
